Dear Parent/Carer,

Year 9 Choices Support and Careers Guidance

I would like to take this opportunity to introduce myself, if I did not meet you last night, as the careers advisor for Maidenhill School. I provide careers education and careers guidance to pupils in the Stroud area on behalf of the SGS Schools' Careers Service.

Early in year 9 students start to think about their future, as they consider what subjects they wish to study during year 10 and 11 and what they might like to do as a career.

I realise that this time can be daunting for students and they may need some help with their choices. Therefore, we are giving year 9 students the opportunity to have a careers guidance interview on Wednesdays during February-April 2025.

If you feel that your child would benefit for having this support, please **tick the consent box** on this announcement by **Thursday 30th January 2025**.

Yours sincerely

Kim Harris
